

RUTUJA NAZARE

Senior UI/UX Designer | Product Designer

Pune, India • +91 9022078420 • nazarerutuja05@gmail.com • [behance.net/rutujanazare1](https://www.behance.net/rutujanazare1) • [linkedin.com/in/rutuja-nazare-7689b4175](https://www.linkedin.com/in/rutuja-nazare-7689b4175)

PROFESSIONAL SUMMARY

Senior UI/UX & Product Designer with **7+ years** of experience leading end-to-end design for complex enterprise SaaS and healthcare platforms. Proven track record architecting scalable design systems (**90% component reuse**), cutting clinician and enterprise task complexity by **40%**, and driving **WCAG 2.1 AA-compliant** experiences across responsive web and mobile. Adept at bridging user research, product strategy, and engineering execution in fast-paced Agile environments.

CORE COMPETENCIES

- Product & Interaction Design:** Information Architecture, Complex Workflow Simplification, Wireframing, Rapid & High-Fidelity Prototyping, Micro-interactions, Responsive Web & Mobile.
- UX Research & Validation:** User Interviews, Journey Mapping, Persona Development, Usability Testing (Qual & Quant), Heuristic Evaluation, Design QA.
- Design Systems & Architecture:** Figma & Figma Make (Auto Layout, Variables, Component Sets), Design Tokens, Multi-Platform Libraries, Accessibility (WCAG 2.1 AA, ADA), Dev Mode & Handoff.
- Strategy & Collaboration:** Product Discovery, Agile/Scrum, Cross-Functional Leadership (PM, Eng, QA), AI-Accelerated UX Research & Synthesis (ChatGPT, Claude).

PROFESSIONAL EXPERIENCE

RioMed Technologies Pvt. Ltd.
Senior UI/UX Designer

Pune, India
May 2023 – Present

- Lead end-to-end product design for flagship enterprise healthcare SaaS platform (**Cellma**), architecting workflows across 8 core clinical modules including Patient 360, Appointments, Vitals, Tasks, Communication, and Reporting.
- Redesigned Patient Search, Clinical 360, and vital sign workflows, reducing cognitive load and task complexity by **40%** across daily clinical operations.
- Built and governed a centralized Figma Design System encompassing **30+ standardized UI patterns**, achieving **90% component reuse** and accelerating frontend sprint cycles by **25%**.
- Designed and launched an integrated, HIPAA-compliant care-team chat and smart notification ecosystem, reducing clinician communication steps by **35%**.
- Streamlined navigation pathways and complex data-entry forms, driving a **30% improvement in clinician task efficiency**.
- Audited and optimized core platform components to achieve **90%+ WCAG 2.1 AA and ADA compliance**, ensuring fully accessible and inclusive experiences.
- Integrated AI tools (ChatGPT, Claude) to accelerate clinical scenario mapping, user research synthesis, and microcopy iteration.
- Partnered closely with Product Managers, Frontend Engineers, and QA teams to define technical constraints, run Design QA, and maintain high implementation fidelity.

Machintel Pvt. Ltd.
Senior Graphics & UI Designer

Pune, India
June 2022 – May 2023

- Spearheaded UI/UX design for responsive web applications, enterprise dashboards, and high-converting campaign platforms.
- Translated complex business requirements into user flows, wireframes, and interactive Figma prototypes validated through stakeholder reviews and usability checks.
- Established reusable UI component libraries and responsive grid frameworks, ensuring visual and functional brand consistency across digital touchpoints.
- Collaborated with engineering teams to ensure pixel-perfect visual execution, asset optimization, and cross-browser responsiveness.

Machbizz Marketers Pvt. Ltd.
Graphic & Visual Designer

Pune, India
Nov 2018 – May 2022

- Designed user-centered responsive landing pages, microsites, and promotional web interfaces, optimizing information architecture and conversion pathways.
- Created wireframes, site flows, and clickable mockups for B2B web experiences, improving user journey clarity and engagement.
- Collaborated with marketing and development teams to establish responsive layout templates and cross-device visual standards.

EDUCATION

Bachelor of Computer Applications (BCA)

Pune University, Pune, India
